

2020 Camp WILD FAQ's

Thank you for your interest in the 2020 Camp WILD summer day camp. We suspect that you have some questions about this year's Camp and the COVID-19 protocols and "Return to Play" measures. We hope that these FAQ's will help you out.

Q: What COVID-19 precautions will be taken to help protect my child while at camp?

A: Camp WILD will begin at a smaller capacity and at a later date than originally advertised. We are closely following the information from the Governor's office and the recommendations by the Washington State Department of Health, and Centers for Disease Control's recommendations for daycare operations. The protocols have evolved and a full list of precautions will be provided at the pre-Camp parent meeting (scheduled for June 25).

Q: How will the Safe Return Phases affect Camp Wild?

A: As Camp WILD falls in the daycare classification, it is able to open as long as King County is in Phase 2, although no field trips will be allowed. If we have not entered Phase 3 prior to Week 3 of camp, there will be adjustments to how camp operates. Small groups of 10 or less will continue to be kept separate, and field trips will be replaced by special on-site activities.

Q: Are field trips planned and confirmed?

A: Off-site field trips are planned for weeks 3 thru 8, but remain tentative based on the Safe Return Phasing progression allowed by the Governor's Office and local health officials.

Q: What will happen if field trips are canceled due to limitations on the Phase?

A: If we are unable to do our planned field trips, they will be replaced by special on-site activities/attractions. The cost for these activities will be similar to the field trips, so the fees will not change.

Q: If I register my child(ren) for Camp Wild and later decide to withdraw, will I get a refund?

A: If Camp is cancelled due to COVID, we will process refunds for the affected weeks.

If you choose to withdraw for a week that is NOT cancelled, then it will be subject to our standard Camp WILD refund policy. Refund requests will be permitted for review with a \$50 cancellation fee, if submitted by 3:00pm on June 5th. After June 5th, all fees, including Before & After Care, are non-transferrable and will be forfeited.

Q: What if I have other questions that aren't addressed here?

A: If you have any other questions about Camp WILD, please call Maple Valley Parks and Recreation at 425-432-9953.
